

2019 – 2020 Interact Club

Interact Club is a community service-oriented club that is sponsored by the Rotary Club of the Moriches. The club is open to all community minded students, grades 5 through 8, who are interested in getting involved in local events and international charities and who are dedicated to serving others who may be less fortunate. The Interact Club meets on Mondays after school. The club will be released in time for students to take the elementary bus home or to attend school sports. If students attend school sports and wish to participate, they could attend for the first few minutes of the meeting. Many activities are available for participation outside of school and on the weekends.

Students must be committed to attending several events that take place outside of school such as the Rotary Pancake Breakfast, Stuff-a-Bus, Hoops for Hearts and to assist with in-school fundraising activities, like tape the teacher, St Patrick's day bake sale and the art contest. The club will be run by the Board. Anyone who wishes to run for a seat on the board must be in 7th or 8th grade and must commit to attending as many functions as possible.

The meeting place is to be announced. The first meeting is Monday **September 16th**.

If you are interested in joining interact please complete this form and bring this to the first meeting. If there is anyone who does not wish your picture to be on the schools twitter feed please contact Laura Dunathan – 631.255.4450

Anyone can join the Interact 19/20 remind to get reminders about events and meeting times *(if you are under 13 you will not be sent reminders so please have a parent join)*:
