

WE ARE BACK!!

2021 Interact

Interact Club is a community service-oriented club that is sponsored by the Rotary Club of the Moriches. The club is open to all community minded students, grades 5 through 8, who are interested in getting involved in local events and international charities and who are dedicated to serving others who may be less fortunate.

The Interact Club will meet on Mondays after school. The club will be released at 3:25. Please arrange a ride home as the elementary school buses will NOT be available this year. If students attend school sports and wish to participate, they could attend for the first few minutes of the meeting.

We are working on safely bringing back events that are outside of school. The kids should be committed to participating in as many activities as possible. This year we are going to host a "Trick Shot Competition" for the American Heart Association and we are going to put on an event in April called "Paint the Town Blue".

The club will be run by the Board. The board members must be in 7th or 8th grade and must commit to attending as many functions as possible.

The meeting place is to be announced. The first meeting is Monday, March 8th. After school. Meet by the front office with your masks on!

If you are interested in joining interact please complete this form and bring this to the first meeting. If there is anyone who does not wish your picture to be on the school's twitter feed please contact Laura Dunathan – 631.255.4450

Anyone can join the Interact 21 remind to get reminders about events and meeting times *(if you are under 13 you will not be sent reminders so please have a parent join)*:

Text the message "@Ldunath" to the number 81010

We look forward to a great year! Laura Dunathan, Sherry Krestch

I consent to my child/ward to attending East Moriches Interact Club:

Child's name printed

Parent Signature

I wish to join interact and I will try to participate as often as possible:
