## 6TH GRADERS EXCEL AT GREEK OLYMPICS

During the 2024 East Moriches Greek Olympics, 6th-grade students actively participated in a tradition that combines ancient Greek culture with friendly competition. Embracing the spirit of the historic Olympic Games, students participated in various athletic and intellectual challenges, fostering teamwork and sportsmanship. From spirited relay races to mind-teasing trivia, the Greek Olympics showcased the students' physical prowess, critical thinking and camaraderie. This wonderful tradition not only brings history to life but also leaves a lasting impression on the students as they celebrate the values of unity and healthy competition. Thank you to all of the teachers and staff members who helped plan, organize and implement the 2024 Greek Olympics!

# P.S. I LOVE YOU DAY

## JANUARY EAST MORICHES EAGLES OF THE MONTH

Congratulations to our **East Moriches Eagles of the Month!** These outstanding students were recognized and selected by the teachers for this award in recognition of their hard-work, character and positive contributions to our school community.
